The Commonwealth of Massachusetts.

OFFICE OF THE SECRETARY, Jan. 10, 1917.

*To the Honorable Senate
and the House of Representatives.*

I have the honor to submit, in compliance with the Revised Laws, chapter 5, section 10, a report of the transactions of this office for the year ending Nov. 30, 1916 (being the twenty-fifth annual), including the returns of the number of liquor licenses granted by the several cities and towns, the amounts received for such licenses, and the votes of the cities and towns on the question of granting them; also the returns of the sheriffs of the several counties of money received by them, and of their attendance upon a court of record and the county commissioners.

There is also presented, in compliance with the statute of 1905, chapter 321, abstract and tabular statements of the returns of the clerks of the Superior Court for the several counties, and the clerk of the Superior Court for civil business in the county of Suffolk; of the number of jury cases, of jury-waived cases and of equity suits pending at the beginning of the year; of the number of each of said three classes of cases entered during the year; of the number of cases of each class actually tried during the year; of the number of cases of each class disposed of during the year by agreement of the parties or by order of the court; of the number of cases of each class remaining untried at the end of the year; of the number of cases wherein the verdict of the jury has been set aside by the court on the ground that it is excessive; and of the number of days during which the court has sat in each county for the hearing of each of said three classes of cases.

There is also included, in compliance with the provisions of chapter 447 of the Acts of 1914, a report showing the aggregate vote, both affirmative and negative, on every act or part of an

act which shall have been referred by the General Court for acceptance or rejection to the voters of the Commonwealth or of any part thereof, or to the city council of any city during the calendar year 1916.

(Rooms 337, 340A, 340B.)

The total number of certificates of incorporation issued under general laws to new corporations for the fiscal year ending Nov. 30, 1916, was 2,273, — an increase of 226 as compared with the

fiscal year ending Nov. 30, 1915. They are classified as follows:—

The number of miscellaneous certificates filed and recorded was 12,543, — an increase of 1,041 as compared with the fiscal year ending Nov. 30, 1915. Of these, 8,904 were certificates of condition of Massachusetts corporations (under section 51, chapter 110 of the Revised Laws, section 45, chapter 437, Acts of 1903, and section 65, chapter 742, Acts of 1914); 1,917 were articles of organization of trading corporations (under chapter 437, Acts of 1903); 250 were certificates of religious, charitable, social and other organizations (under chapter 125 of the Revised Laws); 561 were certificates of issue of capital stock of trading corporations (under chapter 437, Acts of 1903); and the others were distributed among 33 different classes.

The number of miscellaneous certificates filed and not recorded was 1,979, of which 1,873 were certificates of condition of foreign corporations (under chapter 126 of the Revised Laws and section 66 of chapter 437, Acts of 1903), and the others were divided among 8 other classes.

There were issued 29 certificates of change of name of corporations (under chapter 163, Acts of 1908, and chapter 205, General Acts of 1915).

Returns were received of the dissolution of 32 corporations by the Supreme Judicial and Superior Courts.

Under the act relating to the incorporation of clubs, 1 certificate of incorporation which had been issued to a club was declared void, upon evidence that the premises of the club were used for illegal purposes, and charters were refused in 12 cases.

Details of all these statistics appear in the Abstract of Certificates of Corporations, published by this office (Public Document No. 10).

Limited partnership certificates to the number of 38 were filed and recorded.

LABELS, TRADE-MARKS, ETC.

(Room 337.)

By chapter 72, section 7, Revised Laws, which relates to the adoption and registration of labels, trade-marks, stamps and forms of advertisement, the duty is placed upon the Secretary of the Commonwealth of receiving, filing and recording such labels, etc., and of issuing and recording certificates of record. Under this law, labels, trade-marks, stamps and forms of advertisement were received, and certificates of record issued and recorded, in 491 cases.

INSIGNIA OF SOCIETIES AND LABOR UNIONS.

(Room 337.)

Chapter 335, Acts of 1904, provides for the registration in this office of the insignia, ribbons, badges, rosettes, buttons and emblems of societies, associations and labor unions. Four registrations were received, which have been included with the number of labels above given under section 7, chapter 72, Revised Laws.

MARKS AND DEVICES ON CANS, ETC.

By chapter 72, section 15, Revised Laws, which provides for the protection of owners of cans, bottles, boxes, siphons and fountains used in the sale of soda water, mineral and aerated waters, ale, beer, ginger ale or similar beverages, it is made the duty of the Secretary of the Commonwealth to receive and file descriptions of marks, devices, etc.; and under this law 4 such descriptions were received and filed. Under section 19 of said

chapter 72, Revised Laws, protecting dealers and consumers against the unlawful use and destruction of milk cans, jugs, bottles or jars, 79 descriptions of marks, devices, etc., were received and filed.

VITAL STATISTICS.

(Room 334.)

The returns of births and marriages from the various cities and towns for the year 1915, which were received in 1916, cover 93,155 births and 31,301 marriages, — a decrease, as compared with the returns of 1914, of 244 births and 1,287 marriages.

Under the provisions of an act of 1903, chapter 305, there were received from Dec. 1, 1915, to Nov. 30, 1916, 63,656 certified copies of records of deaths, — an increase of 4,332 as compared with the returns of 1915. This number includes duplicates and stillbirths, which are eliminated in the tables of the registration report (Public Document No. 1).

The medical examiners' returns for 1915 cover 6,516 cases, — an increase of 220 as compared with the returns for 1914.

The returns by the clerks of the courts of the decrees of divorce for 1915 number 2,728, being a decrease of 259 as compared with the returns for 1914.

All of these figures are compiled and presented fully in the seventy-third registration report (Public Document No. 1).

There were issued during the year 297 certificates of births, 496 certificates of marriages, and 414 certificates of deaths, making a total of 1,207. The amount of fees received was \$72.75.

REPORT OF THE ARCHIVES DIVISION FOR 1916.

(Rooms 437, 438.)

The number of visitors during the year was 2,659; the number of written inquiries for military records, 681; upon historical and miscellaneous subjects, 162; the number of certificates of military service issued, 163; the number of copies from the legislative records and manuscript collection, 972. The amount of fees received for military records was \$154.50; for copies, \$424.50; making a total of \$579.

Massachusetts Archives. — Ten volumes of the manuscript collection have been rebound during the year.

Photographic Reproductions. — The manuscript collection usually designated "Massachusetts Archives" is literally priceless from an historical point of view, and the necessity of safeguarding it has always been a constant and vital factor in the conduct of this division. It is only necessary to recall the fire in the State capitol at Albany, and the destruction of a great number of valuable documents, to realize that in case of a similar event happening here the loss would be absolutely irreparable. The volumes of manuscripts are being constantly used by clerks and visitors, and apart from the possible danger of fire, it must be realized that the documents will of necessity suffer from continuous usage. They can only be examined by visitors under supervision, and yet the report of the commissioners appointed to examine into the condition of the records, documents and files, made in 1885, enumerated nearly one hundred papers either mutilated or abstracted. A method is now available whereby these valuable documents can be safeguarded against future damage or loss, it being now possible to secure a machine that will complete one hundred and fifty to two hundred photographic reproductions of manuscripts a day. Such machines, known as photostats, are installed in the Congressional Library, New York City Library, State Library, Hartford, Conn., and Massachusetts Historical Society, and have come to be considered a necessary adjunct to every well-equipped library collection, historical society and department of archives. With such a machine installed in this division it would be possible to reproduce the manuscripts page by page in each volume, binding the prints in volumes similar in dimensions, covers, etc., to the originals. The latter with their precious contents could then be stored in a room from which visitors would be excluded in order that they may be preserved for posterity. The cost of the instrument and necessary additional equipment would be but a trifle in comparison with the result obtained, viz., the future safety of the Massachusetts Archives manuscript collection. The new set of volumes would serve every purpose and could be used constantly by clerks and visitors in making researches without dread of mutilation or abstraction of documents. This with the card index now in process of construction will be of great practical advantage to the public. Apart from the fundamental requirements above

outlined, the possession of such a machine would enable the secretary to furnish reproductions of documents, and not only will the scope and efficiency of the division be increased, but a certain revenue will accrue from the use of the machine for the purposes mentioned, and I recommend an appropriation of \$5,000 for this purpose.

Index to Archives Collection. — The muster rolls series, 1710-74, comprised in ten volumes, has been card-indexed with cross references, the descriptive designations of the separate documents being so full and complete that it is now possible to analyze and examine this group of records from every point of view, namely, commanding officers of companies and regiments; towns where soldiers resided or were stationed; blockhouses and forts; designations of campaigns or expeditions. The total number of cards covering this group of records completed, reviewed and sorted to Dec. 1, 1916, is 19,590.

Work has commenced on the group of volumes, six in number, containing muster rolls, billeting rolls, billeting accounts, letters, orders, etc., relating to Shay's Rebellion, 1786-87. This is an interesting phase in the history of Massachusetts, and the tables of contents in the respective volumes have heretofore constituted the only means of guidance for persons desiring to examine the documents. The card index will make all the information contained in the volumes readily available.

Provincial Laws. — By an order of the Executive Council dated Nov. 2, 1916, to take effect Nov. 15, 1916, the work of completing the publication of the Province Laws was transferred to this office. From a communication to the Auditor by the former editor under date of October 14, I was given to understand that all the copy completely corrected for the last volume (20) had been transmitted to the State printer, and that it only remained for me to arrange for proofreading and indexing. For this purpose two clerks employed in the Province Laws department were retained.

An investigation of the conditions reveals the fact that the entire amount of copy, estimated at 9,100 pages, equivalent to 2,000 printed pages, originally prepared from the manuscript, had been compared with and changed to the text given in the General Court records, which are only registers of legislative

action day by day, not even literal copies of the originals. Furthermore, as it was intended by the retired editor, and his clerks were so informed, that there should be no proofreading on the so-called last volume, discrepancies between the copy and the original manuscripts would not have been discovered before the work was published. No official publication should be a copy of an incorrect copy when the originals are available, and, as in the first thirty pages of plate proof there were found 1,706 corrections to be made, I have caused all copy to be returned to this office for correction. This work alone will probably take six months. There had been put in type 242 pages, 128 of which had been plated; total cost, approximately \$850. This material cannot be used and is a complete loss to the Commonwealth. It had been planned that Volume 20 should consist of 2,000 pages exclusive of the index. The largest volume (Volume 5) contains but 1,600 pages and the later volumes from 700 to 800 pages each. It is, therefore, deemed necessary to publish in two volumes (20 and 21). The cost of printing and binding Volume 18, the last published (899 pages), was \$4,063.44. Volume 19 will consist of 1,062 pages and Volumes 20 and 21 of about 1,075 pages each. The approximate cost for each volume will be \$5,000, or a total of \$15,000. As there is at present available for publication \$10,-210.89, no appropriation for this purpose is required this year. An appropriation is necessary, however, for the annual salary of the two clerks employed on the work at \$1,000 each. The probable length of time for the completion of this publication is estimated at two and one-half years.

I deem it my duty to call your attention to these facts in order that you may fully realize the magnitude of the work transferred to this office for completion, and the necessary expense connected therewith.

The law provides that the sale of Province Laws shall be in complete sets only. Unless this law is amended, or there is a reprint of previous volumes, I have no authority to dispose of volumes to purchasers, the edition of Volume 7 being exhausted and the remaining volumes in stock varying in number from 36 of Volume 8 to 145 of Volume 18.

DOCUMENT DIVISION.

(Room 335.)

There were printed under the direction of this office, during the year, in the Public Document series (numbering 102 different reports), 188,324 volumes, — an increase of 15,474 volumes. Of this number, 165,525 were distributed, being supplied to members of the General Court, to cities and towns, public officers, libraries and to the general public.

In addition to the Public Document series there were printed and distributed 20,000 copies of the pamphlet edition of the laws; 11,500 copies of the Blue Book; 13,500 copies of the Manual for the General Court; 700 copies each of the Senate and House Journals; 6,000 copies of Supplement to Laws relating to Elections; 750 copies of the Fiftieth Annual Encampment Department of Massachusetts, G. A. R.; 453 copies each of Term Reports Nos. 221, 222 and 223, total, 1,359 copies; 500 copies of the Constitution of the Commonwealth of Massachusetts, 1915; 500 copies each of the Vital Records of Boxborough, Bridgewater (Vols. 1 and 2), Burlington, Cambridge (Vol. 2), New Ashford, Richmond, Salisbury and Westford; 500 copies of Census of Legal Voters, 1905-15; 750 copies each of Proceedings of Encampment Department of Massachusetts, U. S. W. V., 1915 and 1916; 4,000 copies of map showing Senatorial Districts, 1916; 4,000 copies of pamphlet on Councillor, Senatorial and Representative Districts, 1916; 1,000 copies of Bradford's History of Plimouth Plantation; 50 sets of counting apparatus; 15,000 copies of the General and Special Acts and Resolves passed at an extra session of the Legislature, 1916; 700 copies each of Senate and House Journals, extra session, 1916; making a grand total of 275,383 — an increase of 37,571 over the year 1915 — which have passed through the Document Division during the year.

STATE PRINTING.

The cost of printing Public Documents in 1916 was \$100,-210.77 a decrease of \$6,943.54 from the cost as reported for the previous year, and including the six new Public Documents, namely, Public Document No. 109, Report of the Teachers'

Retirement Board; Public Document No. 110, Report of the Board of Parole for the State Prison and the Massachusetts Reformatory; Public Document No. 111, Report of the Board of Parole for the Reformatory Prison for Women; Public Document No. 112, Report of the Trustees of the Grafton State Hospital; Public Document No. 113, Report of the Department of University Extension; Public Document No. 114, the Report of the State Examiners of Electricians.

The most expensive report was that of the Public Service Commission, amounting to \$11,577.83; the increase in the cost of the publication of this report being due to changes necessary to have the subject-matter presented in accordance with the standard required by the United States Interstate Commerce Commission.

The smallest Public Document was issued by the Board of Registration in Embalming at a cost of \$9.53. The Blue Book cost \$12,365.53; the Manual, \$5,064.44; the Senate Journal, \$2,213.32; and the House Journal, \$2,437.12. It should be borne in mind that these two charges include the cost of printing for the extra session of the two branches of the Legislature. The Senate printing bill, including the Journal, was \$16,294.36; and the House printing bill, including the Journal, \$35,292.34, a slight increase over 1915 for the reason above noted. The cost of printing Official Ballots was \$29,794.29, a slight decrease from the figure of the previous year despite the increased size of the ballot because of the presidential election.

PRINTING AND DISTRIBUTION OF THE LAWS AND RESOLVES.

I made a recommendation to the General Court of 1916 that provision be made for printing from one makeup, in form similar to the Blue Book with suitable side notes, the three different forms of the Acts and Resolves of the General Court, namely, the advance sheets, the pamphlet and the Blue Book editions.

I believe that much time can be gained and the Blue Book distributed much earlier after adjournment of the General Court than at present by following this suggestion, and I therefore renew my recommendation of last year to accomplish this result.

SPECIAL LAWS.

Beginning with the year 1915, in accordance with the provisions of chapter 449, Acts of 1914, the Blue Book edition of the laws is printed in two volumes, one containing the General Acts and the other the Special Acts and Resolves.

If this form of printing the laws is to be continued, separate compilations of the Special Laws will be unnecessary after the year 1915.

A series of twenty-one volumes of the Special Laws have been published from the time of the adoption of the Constitution to and including the year 1911. The last volume of Special Laws compiled for this series covered the years 1909-11, inclusive.

I therefore renew my recommendation of last year that provision be made for publishing a volume to cover the years 1912, 1913 and 1914, thereby concluding the series and preserving the continuity thereof.

GOVERNOR'S MESSAGES, ETC.

The addresses and messages of the Governor for the years 1914 to 1916 to the General Court were omitted from the Blue Books of those years by the enactment of chapter 449 of the Acts of 1914.

On account of their historical value, and also to preserve their continuity in the Blue Book edition of the laws, I renew my recommendation of last year that these addresses and messages be restored to the Blue Book and printed in that volume for the present and succeeding years.

CHANGES OF NAMES OF PERSONS.

The returns of 723 names changed in 1915, as decreed by the several probate courts, were received and filed in compliance with the requirements of the Revised Laws, chapter 154, section 14.

The returns of the changes of names of persons made to this office by the several probate courts of the Commonwealth in their respective counties were omitted from the Blue Books of 1914, 1915 and 1916 by authority of chapter 449, Acts of 1914.

Inasmuch as this information is considered of value to attorneys and others engaged in the conveyancing of real estate, I renew my recommendation of last year that these lists for the years 1914, 1915 and 1916 be printed in the Blue Book for 1917, and that the changes of names decreed in succeeding years continue to be printed in the Blue Book.

SALARIES OF HERBERT H. BOYNTON, FIRST DEPUTY SECRETARY OF THE COMMONWEALTH, AND PETER F. J. CARNEY, SECOND DEPUTY SECRETARY OF THE COMMONWEALTH.

I respectfully recommend that the annual salary of Herbert H. Boynton, First Deputy Secretary of the Commonwealth, be fixed at \$5,000, and that of Peter F. J. Carney, Second Deputy Secretary of the Commonwealth, be fixed at \$4,000. Their long and faithful service, covering forty and thirty years, respectively, together with their superior qualifications and wide knowledge of State affairs, are too well known to require any statement from me.

RETURNS UNDER THE "LOBBY ACT."

Under what is known as the "lobby act" (Revised Laws, chapter 3, sections 23 to 32, inclusive, as amended by chapter 434, Acts of 1913), 533 entries were made upon the dockets of legislative counsel and agents, — an increase of 91 as compared with 1915. Returns were received at this office covering 521 of these entries. Of those received, it became the duty of the Secretary to transmit 21 to the Attorney-General for his information, 2 of them appearing to be irregular or defective, and 19 others being received after the expiration of the time limit. The 12 cases of delinquency were reported to the Attorney-General, as required by law.

The total amount returned to this office as having been paid on account of the employment of legislative counsel and agents was \$200,583.67, in addition to which annual salaries or retainers, unappointed, were reported to the amount of \$88,505.

PROCLAMATIONS.

The proclamations of His Excellency the Governor for the observance of Lincoln Day, Arbor Day, Flag Day and Thanksgiving Day were printed and distributed under the direction of this office.

Of the Thanksgiving proclamation, 11,100 were sent by mail to churches, postmasters, city and town clerks, schools and institutions; and of the Flag Day proclamation, 10,500 were mailed to the schools, postmasters, city and town clerks and various patriotic societies. Arbor Day proclamations to the number of 10,000 were also mailed to the schools, city and town clerks, granges and agricultural societies, and 7,500 Lincoln Day proclamations to the schools, postmasters, city and town clerks and various patriotic societies.

Proclamations to the number of 6,500 concerning the observance of Fire Prevention Day (October 7) were issued by the Governor and sent to the schools, postmasters and the city and town clerks; 650 were issued calling the General Court in extra session in the month of September, and sent to the members of the Senate and House of Representatives and city and town clerks.

Proclamations concerning the election of Electors of President and Vice-President of the United States as provided by law were printed in at least one newspaper in each county, and proclamations concerning the calling and holding of a Constitutional Convention were sent to the mayor and aldermen in cities and the boards of selectmen in towns in accordance with section 8, chapter 98, General Acts of 1916.

PARDONS, REQUISITIONS, ETC.

The number of pardons made out and issued during the year was 31, of which number, 23 were issued with parole conditions; commutations, 14; remanded to serve the remainder of sentence, 1; requisitions upon other States, 113; extradition request upon a foreign country, 1; and warrants issued upon requisitions from other States, 31.

NATURALIZATION RETURNS.

Under the provisions of the Revised Laws, chapter 166, section 17, returns were received of the naturalization of 2,252 persons before the various courts of the Commonwealth during the year 1915, — an increase of 265 as compared with the returns for 1914. These returns were indexed and bound in convenient form for reference, as required by law.

MISCELLANEOUS.

As required by law, returns of the surveyor-general of lumber of the various kinds and quantities of lumber surveyed, and the amount of fees received by him and his deputies in the year 1915, were received and filed.

The four reports from this office which form a part of the Public Document series, namely, Returns of Births, Marriages and Deaths (Public Document No. 1), Abstract of Certificates of Corporations (Public Document No. 10), Returns of Assessed Polls, Registered Voters and Persons who voted, etc. (Public Document No. 43), and Voluntary Associations Owning or Controlling Public Service Corporations, Information relative to (Public Document No. 101), have been made, as required by law.
